Dear Legionnaire:

The "Best Post" in the entire organization welcomes you into a New Year of Fellowship. We want you to continue being a faithful member and to enjoy the camaraderie that we consider unique in Post 134.

Although every member has been asked to serve in some capacity through the various committees, the real work of the Post will continue to be done through the Executive Committee. We ask, therefore, that you support it wholeheartedly and show your approval by continued loyal attendance.

The following are your Post Officers, Executive Committee, Past Commanders and Committee Members.

FULTON COUNTY POST
No. 134
THE AMERICAN LEGION

ROSTER OF MEMBERS
July 1, 1949

ATLANTA, GEORGIA
FOREWORD

Fulton County Post No. 134 was chartered May 24, 1933.

Membership in this Post is by invitation only. The membership was originally limited to fifty. This was increased gradually to 200 in 1941. After World War II, provision was made first for 200, and finally for 300 veterans of that war. Our authorized membership is now 500 (exclusive of military members in active service). We have never had a "membership drive" for the reason that our membership quota is usually full, and at times prospective members, approved for membership, have had to be placed on a "waiting list" for as long as two years.

The business of our Post is handled by an Executive Committee of nine members, with the Past-Commanders being ex-officio members without vote.

At our monthly meetings of the Post, speeches from the floor and long-winded discussions are avoided. We usually have a short speech from a prominent speaker on a subject of interest to veterans.

We believe that we have one of the most unique and outstanding American Legion Posts in the United States.
